Raees Chohan

RE: Restaurant (1) - No Seats license application submitted by Super Stop #1, Inc. d/b/a D & L Food And Gas for the premises located at 626 Larpenieur Avenue West in Saint Paul
License ID #: 20090001469

Dear Raees Chohan:

The Department of Safety and Inspections will recommend denial of the Restaurant (1) - No Seats license application submitted by Super Stop #1, Inc. d/b/a D & L Food And Gas for the premises located at 626 Larpenieur Avenue West in Saint Paul. The basis for the recommendation is based on the following information:

On August 10, 2012, you were sent a letter from the Department of Safety and Inspections (DSI) stating that your Restaurant (1) – No Seats license application had been “pending” since April 2, 2012. The license would not be issued until you obtained inspection approval from the DSI Environmental Health Inspector. You will also need to pay an Environmental Health Inspection Fee before the inspector can approve the license.

You were given until August 31, 2012 to contact the inspector to confirm what is necessary to obtain his approval. As of today’s date, you have not contacted the inspector regarding the inspection approval.

At this time, you have three options on how to proceed:

1. You will need to call Abdi Museid at (651) 266-9141 to confirm what is necessary to obtain his approval no later than **Monday February 4, 2013**. Contacting the inspector and obtaining the necessary inspection approval will be considered to be a waiver of the hearing to which you are entitled.
2. If you wish to admit the facts but you contest the penalty, you may have a public hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a public hearing. I will need to receive your letter no later than **Monday, February 4, 2013**. The matter will then be scheduled before the City Council for a public hearing to determine whether to deny your license. You will have an opportunity to appear before the Council and make a statement on your own behalf.

3. You can withdraw your license application. Send a written statement to that effect to the Department of Safety and Inspections at 375 Jackson Street, Suite 220, St. Paul, Minnesota 55101-1806 no later than **Monday, February 4, 2013**. A self-addressed envelope is enclosed for your convenience. Any request for a refund of the license application fees must also be made in writing to the Department of Safety and Inspections

If you have not contacted me or DSI by Monday, February 4, 2013, I will assume that you do not contest the denial of your license. In that case, the matter will be placed on the City Council Consent Agenda for approval of the recommended penalty.

If you have questions about these options, please feel free to contact me at 266-8710.

Sincerely,

Daphne Lundstrom
Assistant City Attorney
