**RE: FAILURE TO RECEIVE DUE PROCESS**

Dear Ms. Moloney:

Please take immediate action to resolve the scheduling mess with Marcia Moermond, the City Council and Leonard N. Anderson.

1. I reside at 559 S McKnight Road with respect to proceedings by the City against me for unpaid trash bills.
2. Jane Prince has failed to respond to my recent e-mails and phone calls.
3. Recently, I called you and you also have failed to return my phone call.
4. Racquel Naylor called and could not comprehend how to resolve the scheduling problem.
5. I am a 79 year old Army Veteran with a disability on a fixed income. I cannot afford to pay for useless St. Paul Trash Service that I never use. I receive Public Assistance from Ramsey County Welfare.
6. I have been denied due process by the City of St. Paul.
7. I am not available on May 30, 2019 at 9:00 am to meet with Marcia Moermond as I have a long standing 9:20 am appointment with Dr. Webster regarding my recent eye surgery.
8. See attachment from Dr. Webster.
9. See Leonard Anderson attachment dated 4-8-19.

Thanks for all your help and kindness which is greatly appreciated!

Sincerely,

Leonard N. Anderson

**MAJOR PROBLEMS WITH CITY OF ST. PAUL TRASH SERVICE WHICH I DO NOT NEED!**

my Anderson E: a9696b@msn.com P: 651-738-9696

File: 2019Misc/StPaulTrash3-10-19

1. I live elsewhere in the winter and generate NO trash in St. Paul, why am I forced to pay for expensive trash service which is NOT USED? **I should be 100% exempt from billing!**
2. I am billed about \$100 for a way too big trash can that I have never used because:
3. I am a 79 year old veteran with a disability on fixed poverty level income.
4. To save money . . . every fall I drain the plumbing system and live elsewhere all winter. Water Department records show that no city water is used during the winter (see zero water used on water bill on reverse side).
5. Many City residents go south for the winter and should be exempt from winter trash billing.
6. Each snowfall costs \$100 to plow my 375' long driveway, which I cannot afford to pay.
7. Without a snow plowed driveway the way too big trash can cannot be moved to the curb.
8. TO REITERATE: I live elsewhere in the winter and generate NO trash in St. Paul, why am I forced to pay for expensive trash service which is NOT USED?

**I should be 100% exempt from billing!**

**OTHER FACTS:**

Anderson composts his garbage on his property year round. Anderson's property is not vacant. Anderson receives his mail, votes and maintains his garden, trees and his property.

Please reschedule the 4-18-19 Legislative Hearing. From 4-13-19 to 5-13-19 I will be out of state. Also, I have medical and hospital appointments as I am having eye cataract surgery.
