Dear Mr. Pagel:

This is to confirm that our office has received your application for a variance from the city's noise ordinance and that it is being processed.

The Department of Safety and Inspections has recommended that a variance be issued to operate general construction/demolition equipment and domestic power tools at the Lexington Avenue overpass between Burgess Street and Pierce Butler Route on August 30 & 31 and September 3, 4 & 5, 2012. The recommendation is to use best practical methods to control the sound level.

A public hearing on your request for a variance has been scheduled for **August 15, 2012 5:30 p.m.**, Third Floor, City Council Chambers, at the Saint Paul City Hall/Ramsey County Courthouse, 15 Kellogg Boulevard W., Saint Paul, Minnesota.

You may wish to be present at this hearing to answer any questions that the City Council might have. After the public hearing, the Council may grant, deny, or modify the variance request. **If you have any questions, you can reach Mark Kaisersatt, Environmental Health Specialist, at 651-266-1908, or e-mail him at Mark.Kaisersatt@ci.stpaul.mn.us**

Sincerely,

Natasha Murphy
