My name is Harry Perez and Elsa Vega Perez. The assessment that we want to oppose or appeal is Assessment Number 195600, public hearing notice on May 5th. We want to try and get a better understanding of why we need to pay for an assessment on something that we never use. The alley starts at the end. We don't use it for a driveway. It doesn't enter none of our properties so why do we have to be charged close to \$600 for an assessment on property that we don't use. 651-470-9850 is our phone number, and we are 81 Annapolis Street West in Saint Paul, MN. Thank you. My email: vegaperez@yahoo.com.
