You don't often get email from mrstanderson@gmail.com. [Learn why this is important](#)

I am looking for confirmation that either this file has been closed, or if it is on tomorrow's hearing?

I have left several messages regarding this.

The piano that was dumped from property 1895 Old Hudson Road (NOT my property) onto our hill, and was removed by our personal contractor not the City.

I had attempted to work with the property owner to resolve the case, he informed me that his son would take care of it, Later I learned that his version of taking care of it was to call the City of St Paul. Which led to our getting Notice, as soon as the Notice was received I contracted and paid for the removal of the piano.

Below are images of the offense in action. Our contractor is Donny Bateman at 612-670-2415, who is available to affirm that he completed the work.

Thank you in advance for your assistance in this matter,

Sincerely,

Tracy Anderson
