This an appeal to change the status of my house from category of vacant 2 to vacant 1 house

Last May 2016 this renter moved in with the intention to buy the house shortly after, later he claimed he has no funds and stopped paying the rent for the past 6 months.

He changed locks and threatened my real estate agent. Over 10 police calls for the past month from neighbors and from myself on suspected illegal activity from drugs to dogfights in the basement. He took out walls and cabinets. I had to pay \$3100 to city for trash removal that he caused.

We cooperated fully with police sergeant named Tom. Also we expressed to him our intention to clean and sell the house soon after. One Saturday morning, there was over 20 bullets in the walls and the Refrigerator due to gun fire that tenant had in my house. The house was boarded up and that's when the city condemned the house and made it category 2. We had no access to the house since May 2016 and had no idea this was going on.

We did and will cooperate with the police and the city to improve the condition of this house and sell it or rent it, whatever the situation allows. I raised my kids in this house since 1994, and currently I am staying in Israel, and as you can see from the pictures before this criminal moved in, the house was in good living condition.

I have the resources to fix it as you can see from bank account balance. We are in the process of obtaining bids. Total of 3 bids have been submitted and we are near making a decision of selecting the right contractor for us.

We hope that you take our appeal seriously and we promise to make major changes in less than 4 weeks.

Best regards,

Wael Younes
