Fiscal Analysis

Amending the 2024 General Fund budget for the Fire and Safety Department and the Special Fund budget for General Government Accounts. This is a reallocation of budgeted spending to more accurately reflect anticipated expenses and provide appropriate levels of spending authority within accounting unit budgets. Specifically, savings from non-personnel costs are being reallocated to 1) support an additional HR Consultant in the General Fund, and 2) shift an EMT position to the Public Safety Aid Fund.
