 Subject: Sound level variance request
 Content-Type: text/html; charset=UTF-8

The Metropolitan Council has requested a sound level variance to permit construction activity related to the Central Corridor Light Rail project between 10:00 p.m. and 7:00 a.m. Monday through Friday, from June 5, 2013 to December 5, 2013. The majority of the work is expected to be completed during June and July. The Dept of Safety and Inspections will be recommending that the variance be granted through August 30, 2013. The Dept. of Safety and Inspections will be recommending that no jack hammering, saw cutting, or similarly loud activities be permitted during these overnight hours. The public hearing is scheduled for June 5, 2013 at 5:30 p.m in the City Council Chambers. Contact mark.kaisersatt@ci.stpaul.mn.us with comments.
