“Hi Joanna, this is Matt Heimann. I am a neighbor of the 854 Edmund Avenue property, which I believe on the City Council to be demoed. I would like to ask that the property be saved and revitalized. I wanted to see, I don't see the minutes yet, so I don't know the decision yet. I know FNA, as well as the property owner, has been having difficulty getting funding and ability to renovate it. As a neighbor I would like to keep and do what I can to express I would like to keep the building and have it revitalized. If you could give me a call back, that would be great [phone number redacted].”
