To Whom it May Concern:

Re: Red Cow Business & Liquor License

The Summit University Planning Council Neighborhood Development Committee is writing to give letter of support to the Red Cow establishment. The owner Luke Shimp met with our committee on April, 15th, 2014 and we discussed in detail his new endeavor and move to our neighborhood at the old Costello's location at 393 Selby Avenue. The committee took a vote and all members were in favor of supporting the Red Cow business and liquor license.

We are excited about this new dining experience and have no reason to doubt the success of the Red Cow and feel that it will be a great fit in the Selby Western retail corner of our community. For these reasons, we hope that you agree with our recommendation to support this project.

Thank you for your time and consideration,

Simone L. Harris
