Hello

I have a PO requesting a hearing for her Quarter 4 2025 invoice. She is stating she paid Republic \$40 to remove her cart in January 2025, cancelled her service, and was reimbursed for unused service in q1 2025.

Can you confirm if this statement is accurate?

Thanks! and hope everything has been well with you

Jillian

Hello,

This is not correct information. We don't charge cart removal fees, I don't show anything on the account. The only thing I see for 2025 was a payment she made in Q1 2025.

Thanks,
