Subject: Assessment Church Of God Seventh Day St Paul
Date: Tuesday, February 23, 2021 2:54:05 PM

This is our objection to the charges being assessed.

Church Of God Seventh Day
1628 Point Douglas Road South
St Paul, MN 55119-6011
PARCEL ID# 23-28-22-44-0038
FILE # 18982BA
ASSESSMENT # 516100

The well on the church property had been determined to be contaminated and we had to have it treated.

After 3 treatments it was determined that the tank was cracked and that the well would have to be sealed off.

The decision was made to have Roto Rooter come in and connect us to the existing city water line down by the curb.

All necessary digging and plumbing was done at the cost of about 26,000.00 that we as the members of the church paid.

I can provide a copy or copies of the invoice paid to Roto Rooter.

The City Inspector came in and checked all work and approved all points of the water connections.

Therefore we ask that these charges be dismissed.

I have also left a voicemail objection at the number 651 -266-6805 on 2/23/21 at 9:57 am

Signed

Anthony J.Galvan

Elder of The Church Of God Seventh Day
