Did she say when this conversation took place? I don't recall speaking with anyone regarding that address, much less telling them they could remove a placard.

Hi Tom,
Apani Chavez called our office stating that you have recommended that she filed an appeal on the VB Registration Fee Warning Letter dated December 21, 2018. I told her we cannot accept the appeal as it has gone to assessment which is set for Legislative Hearing on March 5.

I told her from STAMP record, the file status is still a VB property. She said her husband is living there and has removed the placard off the door per your advisement. Note, she said she has been there for 5 years but the contract for deed never got filed.

Please advise.
