6 State specifically what is being appealed and why (Use an attachment if necessary):

We are asking for a variance in 1-count upper level bedroom - egress.
Attached are the new replacement vinyl window egress specs &
determination sheet from the St. Paul Building inspection dept.
The owner wants to preserve the home's appearance with new windows
that are double hung style to match the remaining home windows.
Your prompt attention is appreciated as we are hoping the owner can
take advantage of the window tax deduction for 2010.

Thanks, Jeff Moore
