Mr. Rekstad,

My apologies for the delay in getting this information to you. Per your conversation with the Legislative hearing officer, attached are the minutes that will go before Council on June 3, 2020. It is somewhat up in the air at this point, as to whether Council meetings at that point will be resuming in person or still be handled remotely.

In the event they are still remote you have a couple options should you wish to contest the recommendation or add any further comments you would like them to see. You may send in written testimony to be added to the record to legislativehearings@ci.stpaul.mn.us or CouncilHearing@ci.stpaul.mn.us or by voicemail at 651- 266-6805.

Also attached is the 2019 garbage annual guide, which has the 2019 rates. I will defer to the website and City staff for 2020: <https://www.stpaul.gov/departments/public-works/garbage>

I hope this is helpful,

Joanna
