Subject: Vote NO on amending rent stabilization, YES on tenant protections

Dear Council Member Rebecca Noecker,

As a constituent in your ward, I am writing to urge you to vote YES for strong protections for St. Paul tenants and NO on amending our rent stabilization policies.

Every single person deserves stable, quality housing. Instability in our homes because of rent hikes, neglectful landlords, or unfair policies impacts the health and wellbeing of our neighbors, and has lasting impacts for our learning, jobs, health, and future stable housing. That is why I am asking you to reject the false arguments from corporate developers and continue to support our St. Paul neighbors.

Thank you.

Sincerely,
Elizabeth Lacy

Subject: Concerns about amending Rent Stabilization

Dear Council Member Rebecca Noecker,

As a constituent in your ward, I am writing to urge you to vote YES for strong protections for St. Paul tenants and NO on amending our rent stabilization policies. As someone who has called Saint Paul home for the last 10 years, I would really prefer to strengthen the community by prioritizing the people with rent stabilization rather than bending to landlords and corporations.

Every single person deserves stable, quality housing. Instability in our homes because of rent hikes, neglectful landlords, or unfair policies impacts the health and wellbeing of our neighbors, and has lasting impacts for our learning, jobs, health, and future stable housing. That is why I am asking you to reject the false arguments from corporate developers and continue to support our St. Paul

neighbors.

Thank you.

Sincerely,
