It appears he called May 8th. He has been charged for a 35 gal, weekly pickup since May 13th. There was an error in the can not actually getting switched out, but we have been charging him at the 35 gal rate. This was prorated on his 3rd Quarter bill, as he called mid 2nd Quarter. I've attached the 3rd quarter bill showing the proration. As we exchange carts on Tuesdays I'll make an attempt to switch it out tomorrow.

Thanks,
Beth

Hello Beth,

We were able to follow up with the property owner and they stated that they had requested a smaller cart at some point. Do you have any records of that? Please provide all records of contact with the property owner from Q4 2018 – Q2 2020. **If possible, we need this information by Wednesday at 9:00 AM.**

Thank you!

We received no payment for this account for the 1st Quarter of 2020. The first payment we received from him in 2020 was in May for his 2nd quarter bill.

Last payment before the May payment was in November 2109 to pay his 4th quarter 2019 bill.

Thanks,

Beth
