The following TA 20-157 is not reduced to the correct amount.
It states 3,500 to 2,189.62 - Should state reduce 3,710.38 to 2,400.
Why because the owner was original assessed on File# 1901T/Amt of 1,419.85. (1,100 contractor fee plus Park Fee 284.85 and RE Fee 35)

Please mix before Wednesday. Thank You

Subject: 793 Arlington Ave W

Hi Tanya,

There is an error with the assessment for 793 Arlington Ave W. The property was charged for a tree removal in the amount of \$1,100 (contractor's fee) on the Assessment Roll 1901T. That amount was incorrect – it should have been \$3,500 which is the current contractor's amount for Assessment Roll 2003T.

I'd like to request the amount on 2033T be reduced by \$1,100 to \$2,400. Also, waiving the park service fee and real estate fee if possible since that was paid on 1901T.

Thanks and sorry for the error,
Karl
