She was in the program starting 8/11/20 so does that mean she was in Q3 for 1 month?

One thing that I do need to know is what the reduction is going to be for the Q3 2020. Can you let me know?

Thanks!

Will do! I assume that since the other assessments have already passed their PH date, that you will input files for the removals, correct?

Thanks Mai! It looks like we will have to put in a legislative hearing file for the Q2 2021 assessment. We are unable to remove the assessment without a hearing at this point. Do you want me to put in the file?
