**Property Notices Sent**  
**2013 Number of Notices Sent**

Average Number of Notifications	147.75
Median Number or Notifications	85
# of Notifications per SLV - Ranged from 9 to 750	

**\*\*Simple SLV** - Application that requires minimal follow-up, research or limited variance conditions. Could have had a previous SLV.

**\*\*Complex SLV** - Application that requires additional information, research and may have more than 2 or 3 conditions. Many times has unique or multi sound sources.
