Hello Mr. Thao,

I want to inform you that you are scheduled for a Legislative Hearing on October 21, 2025 at 9:00 am via telephone; however, due to the ongoing delay in having information from the Dept of Safety & Inspections (DSI). Currently, they have transition into a new system and old information must be transferred to the new system. IT is working very hard in making this happened; however, the process is very slow. I will need to reschedule your hearing to another date. Let me know if **January 20, 2026 via telephone call between 9am-noon** works for you. Please note that your are not invoice yet. This will not be on your 2026 property tax statement and will not accrued interest due to the ongoing data recovery by DSI.

I apologize for the inconvenience.
