Hello Ms. Polaszek,

You contacted our office about an assessment that is now certified to your 2020 taxes. Normally, when an assessment is not under appeal and gets adopted by the City Council, you would need to appeal further at District Court w/in 20 days of council adoption. However, I will put a file together for the hearing officer's review and see what she wants to do with this case. Looks like Summary Abatement Order was sent out on 4/17 with a compliance date April 24, inspector rechecked on 4/24 and found to be non-compliance and sent to Parks to clean up the issue and work was done on 4/25. Notices were sent to the previous owner. I will let you know what the outcome of the decision. Is Rick Fedorowski previous owner?

I have attached documents on this file.
