Vehicle Accident Summary 4th Quarter 2020

October: 3

November: 0

December: 0

SPRWSVA 2020-10 Distribution 10/02/20: Distribution Division Temporary Mains truck #617 was pulled over and stopped on 7th Street (downtown St. Paul) for emergency vehicles when vehicle #2 pulled over in front of #617 and rubbed against #617's left front bumper with its right rear quarter. There was no damage to #617 except for a paint scuff mark from #2. Information was exchanged, with no action required. Police were unable to attend the accident scene because they were busy with protesters attempting to walk onto the freeway.

SPRWSVA 2020-11 Distribution 10/05/20 9:50 a.m.: Distribution Truck Driver in single axel dump truck #685 was stopped at W 7th Street and Kellogg for a red light. When the light turned green, #685 crossed Kellogg along with vehicle #2 to his left. As both vehicles were driving side-by-side, Vehicle #2 changed lanes from left to right and ran into the side of #685. There was no damage to #685 and no listed damage to #2. Police attended the accident scene. No action necessary.

SPRWSVA 2020-12: Distribution 10/26/2020 1:03 P.M.: SPRWS driver, in asphalt crew truck #608 was parked and eating his lunch at Burger King on East Maryland Avenue when vehicle #2 was trying to park on the left side of #608. As #2 came closer to #608, the hood of #2 went under #608's left door mirror and made contact and made scratch lines in the hood. After looking closer at the hood, the lines were just touch lines in the dust on the hood of #2. No damage to #608. No injuries to either party and SPPD was contacted and on site.
