Dear Ms. Schlosser:

This is to confirm that our office has received your application for a variance from the city's noise ordinance and that it is being processed.

The Department of Safety and Inspections will be recommending that a variance be issued to you, with conditions, in order to use an amplifier and speakers to project sound at a water stop/turn around along a race course event from 8:00 a.m. until 12:00 p.m. at the corner of Summit Avenue and Nina Street on September 20, 2014.

A public hearing on your request for a variance has been scheduled for **Wednesday, September 17, 2014, at 5:30 p.m.**, Third Floor, City Council Chambers, at the Saint Paul City Hall/Ramsey County Courthouse, 15 Kellogg Boulevard W., Saint Paul, Minnesota.

You may wish to be present at this hearing to answer any questions that the City Council might have. After the public hearing, the Council may grant, deny, or modify the variance request.

If you have any questions, please contact:
