I have been working in my bungalow every day cleaning out.
I am requesting that the city
remove the boards on the windows
on the main floor so that I may open the windows.
I bought a 4 pound bock of mouse poison and
I broke it up into 1 inch pieces and
I placed them in the basement, main and second floor.
The mouse fumes are overwhelming
without the windows being open.
I am out everyday by 8 pm.
Thank you for the consideration,

Richard Ayd
