

RES PH 24-84

Traffic Safety Vehicle

- Allows SPPD to be reimbursed 80% of the cost of a new police car that will have two additional cameras, allowing for better evidence of distracted driving.
- 20% agency match requirement can be met with already-budgeted funds from the SPPD's 2024 vehicle budget.
- The grant awarded the SPPD \$72,325 maximum.
- Grant period is April 2024 to June 2025.
- Obtaining this vehicle with the use of state funds will save the city money and reduce injuries, deaths and property damage by working with eight neighboring law enforcement agencies to improve implementation of the Office of Traffic Safety Enforcement Grant approved in RES PH 23-324.
