Subject: Support for Five Deco, LLC

To Whom It May Concern,

On Thursday, May 13, 2021 the Development Committee of the District 11 Hamline Midway Coalition held a public meeting at which it considered a proposed request to support Five Deco, LLC's request for a liquor license located at 886 Syndicate Street North in St. Paul. The applicant appeared for the Zoom Meeting and provided material for the Committee to review and answered questions posed.

The Committee unanimously supported Five Deco, LLC's request for a liquor license with the City of St. Paul. Furthermore, committee members are excited to support a new business which will create jobs in our community and enhance the neighborhood's economic development.

Thank you for consideration of this recommendation. Please contact me with any questions.
