We need to revoke the license.

#399 apparently is not operating any longer, per Blue & White's reply below. Plus, the woman that answers the number submitted on the vehicle lic app states "no Nasir here...its my number." Please let me know how to proceed...

Hi Tom –

Currently we have no idea where he is. He has been turned off for three weeks now, and he is not answering our calls.

As always, thank you.

Sincerely,

Hello Waleed,

I am following-up on taxi #399 for the City Attorney. A \$500 fine is significantly past due and we have an insurance cancellation effective 12/17/10. Are you aware of his/its current status? ...still driving with Blue & White in any capacity? ...insured? Please advise.

Thank You
