RE: Remove or Repair of the Structure at 1146 Payne Avenue

Dear Mr. Tipping, Mr. Morris, and Mr. Williams:

This is to confirm that on July 16, 2019 at the Legislative Hearing, Marcia Moermond, Legislative Hearing Officer recommended continuing the above-referenced to **Tuesday, August 13, 2019 at 9:00 a.m. in Room 330 City Hall**. At that time, Ms. Moermond will be looking for the following conditions if you intend to rehabilitate the building:

1. post a \$5,000 performance deposit;
2. a team inspection to be conducted on July 18, 2019;
3. provide a work plan or sworn construction statement, including schedules for completing the work;
4. submit bids from a general contractor and subcontractors;
5. provide documentation of sufficient financing to do the rehabilitation (line of credit, construction loan or personal bank account);
6. must provide an affidavit indicating the dedication of funds to be used for this project if funds are not project-specific; and

7. property must be maintained.

If the owner wishes to proceed with demolition, the City would need to see a signed contract with a licensed demolition contractor under permit. If you have any questions relating to the demolition, you may contact Joe Yannarely at 651-266-1920.

If you have questions, please contact me at 651-266-8515.

Sincerely,
/s/
Joanna Zimny
Executive Assistant
