Marcia,

Thank you for your time and understanding during my Property Code Hearing. You stated that I should inform you in writing of my wishes to no longer be in the COO program. I wish to no longer be in this program. I need to occupy this residence myself with the foreclosure of my other house (I must vacate by Sept 4th, 2011). I have not rented this property and do not plan to rent this property. The only reason there was an inspection was that Inspector James Thomas informed me that I must have a COO because I did not have the right to co occupy 2 properties without one property having a COO.

If I could please be assigned a Code Compliance Inspector at your earliest convenience it would be greatly appreciated so I can work with them ASAP and make repairs where needed.

Best regards,

Mark
