Subject: Ramsey County Property Tax Payment Update 1698 Lafond

I have completely paid all of my property taxes for 2016. On Monday, I went to the Property Tax office and I found out about getting on the tax payment plan which will save my property.

Payments are allowed for 10 years at 5% interest instead of 10%.

I have hired the property maintenance man that takes care of the Zion Lutheran Church across the street from 1698 Lafond.

He has agreed to cut the lawn and plow the snow and I will pay him per visit.

Either my brother Andrew, or my case manager, **Sheila Greaser** from **Metal Health Resources** will act as my general manager.

I will re-hire **Snelling Company** to re-inspect the electrical wiring.

Snelling Company has already installed a new furnace, hot water heater, bathroom light fixture, kitchen light fixture, and wiring.

I will re-hire **Tschida Brothers Plumbing** to check the toilet that they have already installed.

Tschida Plumbing has also installed new bathroom pedestal sink, tub and shower surround and new basement floor drain.

I am not able to hire these companies until the boards can be removed from my back door in order to get in.

I have also contacted **Lauren Lightner** at **House Calls**

to have a dumpster placed in my driveway.

Again, this cannot be done until the boards are removed from the back door.

Lauren Lightner is attending the hearing on Tuesday, May 10, to verify.

Mr. Ayd,

Are these for this year? If so, what about the delinquent taxes for 2013 & 2014 in the total of \$12,533.59?
