- 19 [RLH RR 18-30](#) Ordering the razing and removal of the structures at 877 WOODBRIDGE STREET within fifteen (15) days after the August 15, 2018 City Council public hearing. (Public hearing continued from August 15 and 22)

Legislative Hearing Officer Marcia Moermond said the inspector who had accessed the house the previous Monday found gross unsanitary conditions such that he didn't feel it was safe for him to conduct the inspection or for others to go in. She said at her request a vacant buildings inspector had taken photographs to document the condition of the building. She said the conditions in the building had occurred as a result of squatters, probably within the previous 12 months. She said the owner, therefore, had not obtained a code compliance inspection, and the performance deposit had not been posted. She said, if the Council wanted to allow the owner to develop plans for the building's rehabilitation, she recommended the following conditions: performance deposit posted by close of business August 24, and the house be professionally cleaned and sanitized by September 3, so that code compliance inspectors could access the building the first week of September. She said if those conditions were met, a Legislative Hearing could be conducted on September 11 to review specific work plans to be developed by the owner based on the code compliance report. She said the inspectors also wrote orders for tall grass, and a broken window allowing access, and she expected immediate compliance if the owner was serious. She noted there were unpaid property taxes which would lead to the property's forfeiture the next summer. In response to a question from Councilmember Thao, she said the performance deposit was \$5000.

Councilmember Thao moved to adopt Ms. Moermond's recommendation, to allow the owner to move forward. Ms. Moermond said her office would draft a letter confirming the details.

Legislative Hearing Officer Marcia Moermond said she had met with the property owner after the previous week's public hearing and reviewed the orders and the items needing correction. She said the item before the Council was determining whether the nuisance condition had been abated, and the action being taken would give a second extension with specificity by line item.

Councilmember Henningson moved to adopt Ms. Moermond's recommendation, and thanked Ms. Moermond for her work.

LEGISLATIVE HEARING ITEMS FOR DISCUSSION

- 34** [RLH VO 18-37](#) Appeal of Charnell Hudson to a Correction Notice - Complaint Inspection Condemnation and Order to Vacate at 134 ELIZABETH STREET EAST.

Legislative Hearing Officer Marcia Moermond gave a staff report on the condemnation and order to vacate. She described the circumstances and said the follow-up inspection showed continued presence of numerous code problems; she noted that the property was currently vacant. She recommended denying the appeal and maintaining the condemnation on the property.

Property owner Charnell Hudson said she was continuing to work on the house and had never had any problems in the past. She asked for more time. In response to a question from Councilmember Tolbert she said her request was to have 90 days to continue the repairs and have everything in order.

Councilmember Henningson moved to close the public hearing. Yeas - 5 Nays - 0

In response to a question from Councilmember Tolbert, Ms. Moermond said the next question, which wasn't currently before the Council, was whether a Code Compliance inspection would be required in the vacant building program, or dealing with the current list of corrections would be sufficient. She said the question now was whether or not the property should be condemned and ordered vacated. She said her recommendation was that it be that way; she said there were paths in the future for allowing time for the items to be addressed.

Councilmember Henningson moved to adopt Ms. Moermond's recommendation.

Legislative Hearing Officer Marcia Moermond gave a staff report on the order to move a pop-up camper from an illegal parking surface beside the garage. She recommended that the appeal be granted if the parking space was restored to its previously approved Class V condition, with the deadline of September 14. She reviewed two accommodations requested by the appellant; she said they worked with HREEO to accommodate the request that all documents be readable in Adobe, and it was determined that the second accommodation was not necessary and was denied. She said what was before the Council was restoration of the parking surface by September 14.

In opposition:

Property owner Rick Heller distributed handouts, and said the matter had been corrected. He reviewed some items he felt the Council needed to address.
