Ok, I will put together a file and will set this for hearing on **January 5, 2021 via telephone between 10 and 11:30 a.m. Please respond with the best number to call you for the hearing.** Once I am done putting the file together, I will send you the documents again and videos of what the City crew did. I can interpret for you, unless you want someone else which we will call Language Line via telephone as well.

Yes I would like to appeal this because I never received the warning notice in the mail so I had no way to know I only had 4 days to throw it away. I was waiting for my son to help me.

The city guy never told me I only had 4 days when I talked to him. I only received his business card. That is not fair. I understand moving it from the blvd to my property is not getting rid of it but we were going to go throw it away over the weekend.

If we knew we had a deadline we would have done it already.

Are you able to have a Hmong interpreter?

Thanks!

Hi! Yes, I did meet and spoke with the city guy who walked around. I told him I will move it and I did move it back to my property that same day.

I moved it off the blvd back to my property to bring it to be disposed. So why am I being billed?

Thanks!

Was a warning notice sent to us prior to it being picked up?

Thanks!

It's about a refrigerator on the blvd that the City cleaned out on July 16, 2020. Do you want to contest this fee? If so, I can put the record together and send you the file for the hearing.
