Hello Josiah Overfors,

You attended Legislative Hearings back on 2/20/25 & 3/4/25 and the matter was continued many times to see if we can access history of any pending violations. At that time the hearing officer recommended reducing the assessment from \$440 to \$220 if no same or similar violation. To date, we are still lacking the ability to lookup information; therefore, at today's City Council meeting, the recommendation will go to Council for reduction to \$220. No need to attend if you are not contesting and sorry for the late notice.
