Done. Sorry for the confusion. The assessment has been paid so everything should be squared away now.

Hi all,

Were contacting people about their public hearing weds, I just spoke with Ryan Kjesbo-Johnson at this address, can someone do some follow up and see what is going on for him? We approved the assessment; however he had

purchased the property and was under the assumption that this had already been paid by the previous owner (via escrow or however that works). I'll admit I didn't look through legistar to see what happened at the hearing, but he didn't appear so I'm guessing it doesn't say much

I told him someone would reach out to him by Weds AM at the latest to let him know what was happening. 651-252-8524

Thank you!

Joanna
