Good Morning,

I am trying to copy my statement to you showing my checking account balance, but having some problems with it. I may be faxing it so please be aware that it will be coming. It shows my balance of \$9,378.23 so I am short \$621.77. This is literally all the available cash I have to show a total of \$60,937.23. And I also have applied for that home equity line of credit that I mentioned yesterday, in the amount of \$50,000. which is being borrowed against a lake home my sister and I co-own together that is free and clear. It was listed for sale this week for \$217,000. So the loan is insured by the value of that property.

I have been keeping in touch with Aaron from Urban Renovations and he is looking forward to the job and has everything in place to begin. Again I am asking you to please let me move forward with this, you won't be disappointed with the outcome. I am a very seasoned landscaper also and guarantee the yard will do nothing but improve and beautify the neighborhood.

As always I thank you for your time,
Wendy Forster
