A photograph of a yellow building with vertical siding and a white roofline. A large grey garage door is centered on the front facade, framed by a white border. Above the top edge of the garage door frame, the number '812' is printed in black. The garage door has three horizontal panels. On the right side of the door, there is a small, rectangular, blue-painted area that appears to be a patch or a small window. The building is set on a concrete driveway with some weeds growing between the cracks. To the left, there are green bushes and trees in the background.
