Staff Comments

Hauler records show that the check for \$173.76 was deposited on 9/7/2022 and applied to a holding account as there was no indication as to where the payment should be applied. Since the hauler has been able to match the payment to the account for the property in question, they are requesting that staff remove the assessment. Therefore staff recommend removing the assessment.

Internal note

Paula Nymeyer, title representative at 130 Lexington Pkwy N, Saint Paul, Minnesota, 55104 contacted the City RE: - Assessment Inquiry. Nymeyer, of Watermark Title, states her firm paid Republic a \$173 fee in the beginning of September that they cashed. Now there's an assessment owed to the City for the same quarter Q3 2022). She's wondering why Republic took the payment, when it was actually owed to the City. She had to go to a closing at the end of our call and said she'd call back this afternoon for Clare.

[Thanks for your help. Attached is a copy of that cashed check. The memo line does reference service from July-September with additional late fee of 8.27 and Republic Services cashed the check on September 7th. Also attached is a copy of the letter that Mr. and Mrs. Forster received from the City. I'm hoping this potential assessment can be removed and not assessed to the taxes.](#)

I believe you stated that the garbage hauler does NOT report any delinquent bills to the City until the billing quarter has ended, which on this one would have been September 30th. Republic Services cashed this well in advanced of the 30th and not sure why they still turned over the city as a delinquent bill. Please let me know what you find out from Republic Services.

FYI- the property was sold on September 2nd.
Prior Owner was Shasha Realty, Aydin Moradian.

Thank You.

Our offices will be closed on December 26th & January 2nd

Hello Paula,

When I submitted the proof of payment that you sent me to the hauler, they responded with the following message:

I checked and looks like we put the check under a holding account as we got no information on which account the check belonged to. We are now moving the money. Please remove certification. Thanks

Therefore, I will be requesting that the July - September 2022 garbage assessment be removed at a legislative hearing on Jan 19. There is no need for you to attend the hearing. You should see the assessment removed in full by mid-February. Feel free to use the link below to check the status of the assessment.

[Dave~](#)

Please see email below from the City of St. Paul. They have corresponded with Republic Services who has applied our payment. The city will "cancel" the assessment at the hearing on January 19th and the assessment should be fully removed by mid-February. Clare with the City of St. Paul also provided a link to check on the status.

Clare~

Will a notice be sent to the homeowner to notify them that the assessment will be cancelled?

Hello Paula,

We usually send a letter following the legislative hearing to confirm that the assessment will be removed. The current mailing address we have for the property owner is **130 Lexington Parkway N, St. Paul, MN 55104**. Is that correct?
