

Dear Council members:

I am writing to support my neighbor's request for a variance, I have owned the home at 586 Lincoln for 27 years and have never before contacted a city council member. I share the street and the alley with Josh and Tisha Colton, and I have seen many changes to the neighborhood over these years and have no concerns regarding the use of the converted attic space above the garage on their property. The property at 576 Lincoln has seen many owners in the past 27 years, when I purchased my home it was a duplex, at some point it was changed to a single family home, the addition of this livable space to the neighborhood will have minimal impact now and in the future. Please consider my support for my neighbor's request.

Thank you
