Subject: Proposal for 695 Grand Avenue
Date: Tuesday, July 13, 2021 1:47:15 PM

I am contacting you in reference to **ZF#21-269-061 695 Grand CUP and variances. I am opposed to any changes to accommodate this project. Stick with all original extant zoning regulations and restrictions. I am a nearby resident and believe that this proposal, if approved, would negatively affect my surroundings.**
