Public hearing to consider the report of the Administrative Law Judge concerning the Liquor On Sale-100 Seats or less, Liquor-Outdoor Services Area (Patio), Liquor On Sale-Sunday, Entertainment A, and Gambling Location licenses held by El Alamo, LLC, d/b/a El Alamo at 429 Robert Street South. (Public hearing held February 7)

Councilmember Noecker said at the time of last week's meeting she felt there should be a double departure on the penalty matrix and wanted to take a week to put those reasons in writing. She moved to adopt the findings of fact, conclusions of law, and recommendation of the ALJ as amended in the resolution before the Council. She said she was recommending that they upwardly depart twice from the matrix penalty to revocation based solely on the report of the ALJ, the serious threat to public safety, and continued violation of very recently imposed license conditions intended to protect public safety. She said much of the testimony at the previous week's public hearing was troubling but the Council was only able to consider evidence contained in the record. She said evidence from that record were laid out in the resolution before the Council and constituted the substantial and compelling reasons needed to recommend a double departure on the penalty matrix.

23 [Ord 17-64](#)

Amending Legislative Code Section 293.07, pertaining to noise source limitations, by enacting a new subdivision to exempt certain soccer matches and other activities held in a municipal stadium from noise source limitations.

Councilmember Thao thanked neighbors, staff, and the Union Park District Council for their efforts. He said he had listened and heard, and reflected on the concerns. He said based on the AUAR findings he felt this exemption variances were a better strategy in limiting noise pollution in that it made what was and wasn't allowed after 10:00 p.m. He said other stadiums belonging to the Minnesota Ballpark Authority abided by similar variance and exemptions. He said his office would with neighbors and the team t monitor any noise issues. He moved approval.

Council President Brendmoen said she appreciated Councilmember Thao's extra work and the opportunity for the district council to weigh in again.

Councilmember Stark said he would support the motion and appreciated thanked Councilmember Thao digging into this. He noted that the Council had already adopted a development agreement that essentially allowed the team to have soccer games on the site, and to come back later and restrict noise wouldn't make sense. He agreed with Councilmember Thao that the clarity provided was helpful.

LEGISLATIVE HEARING ITEMS FOR DISCUSSION**30 RLH RR 18-4**

Ordering the rehabilitation or razing and removal of the structures at 642 CHARLES AVENUE within fifteen (15) days after the February 14, 2018 City Council public hearing. (Amended to remove within 15 days with no option for rehabilitation) (Public hearing continued from February 14)

Legislative Hearing Officer Marcia Moermond said her recommendation was to amend the resolution to order removal of the structures within 15 days; she asked that the Council continue the matter for one month in order for the owner to secure financing, develop work plans, and post a performance deposit - not a bond - in order to rehabilitate the structure. She said if the owner was not able to provide those items in that time period, she would recommend approval of the resolution.

No one was present to testify. Councilmember Thao moved to continue the public hearing to March 14.

Legislative Hearing Officer Marcia Moermond said Assistance for Homeowners had called that afternoon and said they would be trying to work with the homeowner to rehabilitate the property. She said the property owner was a no-show for the previous day's Legislative Hearing, but she would like to give a chance for the property's rehabilitation. She said there was no performance deposit or financing, and, while a code compliance inspection had been applied for, the owner never put a lock box on the doors to allow access. She recommended laying the matter over for one week, and if a \$5000 performance bond was posted by the close of business the next Tuesday she would refer the matter back to Legislative Hearings for review.

No one was present to testify. Councilmember Stark moved to continue the public hearing to February 21.
