A letter will follow.

Just wanted to send you a note that the District 2 Council did meet with the new owner of the Bamboo Hut 1626 White Bear and that we are supportive of them getting their beer and wine license.

I understand that the potential exists for the Council to wave the public comment period that goes until September 22, 2017.

We would encourage DSI and Council Member Bostrom to move the issue to the Council agenda.
