Hello,
To whom it may concern

My property Address is: 1120 Abell St, St Paul 55117
Parcel#: 30-29-22-21-0108

I am sending this email because I received a letter regarding the "public improvement construction" for project "2025 Mill and overlay- Hatch/Park Residential Area".

I would like to express how again this project I am and objecting to this matter.
The letter indicates an estimated assessment to each single family residential in the amount of \$777.60.
Our property taxes/escrow/insurance etc continue to skyrocket each year.
Trying to afford an additional \$700 in addition to the normal assessments we will be charged is not reasonable or financially doable for many of us homeowners.

I am voting NO on the project.

Thank you
LJ
