

Dear Margda,

I received the letter regarding the clean-up of the property at 1580 Ashland, St. Paul, MN.

This property was owned by my mother Celia Miller who was living in Israel at the time.

My mother passed away on June 1st. She had been in the hospital for the past few months, & my brother, Albert Miller, & Naomi Klein (my sister) received the letter. They were both in Israel.

My mother was a cotrustee with US Bank, for this property & they had required the property to be turned over to a management company.

Apparently according to the trust document in Minnesota law you can't manage a property you own if you are living outside the county. This all happened in April-May.

Unfortunately there seems to have been some miscommunication during this time.

We are hoping you will  
take all this into consideration  
& lower the fee.

In the past months we  
have now done considerable  
repair & clean-up to the  
property.

I thank you for your  
consideration.

Sincerely  
Mae Schanowitz
