

Dec. 2, 2019

Saint Paul City Council Members,

St. Paul Highland Ball wishes to voice its support for the Ryan Co's Vision for the Ford Site Redevelopment, in advance of the Dec. 4 City Council Meeting regarding RES PH 19-388, *Approving an amendment to the Capital Improvement Budget*, and related items.

Ryan Co's inclusion of two baseball/softball fields in their Vision for the Ford Site Redevelopment is an act of generosity that will serve generations of baseball and softball players in the Highland community for years to come. Their recognition of Highland Ball's legacy and contribution to its future is inspiring. Further, we appreciate Ryan Co's community engagement and commitment to redevelop the entire site in a way that benefits the whole community.

Highland Ball also recognizes the efforts of the St Paul City Council in stewarding this process towards resolution. The City Council's leadership on the Ford Site Redevelopment has been instrumental and appreciated.

Thank you,

Drew Hodson, President, Highland Ball
Patrick Martin, VP of Baseball, Highland Ball
Steve Penz, VP of Softball, Highland Ball
