- 27 **PH 13-19** Public hearing to consider the report of the Administrative Law Judge concerning all licenses held by Jamal & Saed Co., d/b/a St. Paul Grocery Store at 712 University Avenue West.

Geoff Karls, Assistant City Attorney representing the Department of Safety and Inspections (DSI), gave a staff report on the on the license background, the allegations, and the Administrative Law Judge (ALJ) findings. He said the ALJ found that all allegations had been proven by the City, and the City had substantial and compelling reasons to revoke any licenses issued to St. Paul grocery. He said DSI's recommendation was that the Council adopt the findings of the ALJ and revoke all licenses held by Jamal and Saed Company, doing business as St. Paul Grocery.

In opposition:

Carl Newquist (6401 University Avenue N.E., Fridley), attorney representing licensee Jamal Aden, reviewed the Mr. Aden's personal and business background. He said much of what was said to the ALJ was hearsay, and Mr. Aden had never been charged with or convicted of a crime. He said if a tobacco compliance violation had occurred, the City should impose the matrix fine for that violation, rather than revocation of the license, which he felt was arbitrary. He said there was crime in the neighborhood before Mr. Aden arrived and there would continue to be if he left. He said Mr. Aden respectfully asked that his licenses not be revoked, and had offered to give up his tobacco license. He said he would advise Mr. Aden to voluntarily give up his license if Mr. Aden were convicted of a crime. He asked that the Council impose the matrix penalty.

Councilmember Khaliq moved to close public hearing. Yeas - 7 Nays - 0

Councilmember Khaliq asked Mr. Karls what the standard was for revocation. Mr. Karls said revocation in this sort of situation would be based on compelling reasons to go outside of the matrix, and there could be any number of compelling reasons. He said he felt the impact of the business on the community presented sufficient compelling reasons to justify going outside of the penalty matrix, as noted by the ALJ. He said the ALJ had found there was more than probable cause to believe the licensee knowingly engaged in illegal activities, and that the City could reasonably consider those known facts in making licensing decisions.

Councilmember Khaliq asked Mr. Newquist whether he believed holding a license a right or privilege. Mr. Newquist said it was a privilege. Councilmember Khaliq said that right came along with duties and responsibilities and Mr. Newquist agreed. Councilmember Khaliq said as a resident of the neighborhood he was familiar with the problems at the location, and knew that other businesses in the area didn't attract the same kind of problems. He moved to adopt the findings of fact, conclusions, and

recommendations of the ALJ.

In response to Mr. Newquist's contention that Mr. Aden had not been convicted of a crime, Council President Lantry noted that testimony at an Administrative Law Judge hearing was given under oath.

Councilmember Khaliq said he understood and appreciated the plight of licensee, but there were problems along University Avenue and one way to improve the area was to cut out businesses such as this one.

28 RES PH 13-297

Geoff Karls, Assistant City Attorney representing the Department of Safety and Inspections (DSI), gave a staff report on liquor compliance check failures in 2006, 2007 and October of this year. He said DSI was recommending a \$500 fine, due to the length of time between violations. He said the licensee had admitted to the facts but had requested a public hearing. In response to a question from Councilmember Tolbert he reviewed the fines for the previous violations.

No one appeared in opposition; Councilmember Tolbert moved to close the public hearing and adopt the recommendation of DSI.

Legislative Hearing Officer Marcia Moermond gave a staff report on the appeal by the tenant of the revocation and order to vacate, which were the result of long term noncompliance with orders. She said in Legislative Hearings she had allowed for occupancy through mid-December so the tenants could find alternative housing. She recommended denying the appeal and granting an extension to mid-December for vacation.

In opposition:

Property owner Ira Kipp (3966 Minnehaha Avenue S., Minneapolis) said the revocation and order to vacate were because he was remiss in getting work done on time, but everything except a few minor items had been completed. He said none of the remaining items were safety issues, and the tenants wanted to stay but weren't paying rent because of the order to vacate. He said the insurance was probably also in default because of the order, and he asked that the tenants be allowed to stay and the Certificate of Occupancy be reinstated.

Councilmember Thune moved to close the public hearing and adopt the recommendation of the Legislative Hearing Officer.
