**Re: Signed Contract and Copy of Deed and Settlement Statement**

Dear Michael:

Thank you for your business and congratulations on your investment property! We are pleased you have chosen Econohomes as your trusted resource for wholesale foreclosures.

Attached is a copy of the Deed as well as HUD-1 Settlement Statement for the property. If there is a grantee Rider attached to the back of you deed, we will need these signed notarized and originals returned for us to record. This should be sufficient proof of your ownership until the county mails the original. Please review the deed and make sure the information we have for you is correct, so as to prevent any recording delays.

**PLEASE DO NOT TRY TO RECORD THIS BECAUSE IT IS A COPY. IF YOU TRY TO RECORD, IT COULD CAUSE SERIOUS TITLE ISSUES.**

Should you have any questions or require further information, please feel free to contact us.

Regards,  
Econohomes

PROPERTY OR HAD THE PROPERTY INSPECTED BY AN INSPECTOR FOR THE PURPOSE OF ASCERTAINING THE CONDITION OF THE PROPERTY SUCH THAT ANY REPRESENTATIONS CAN BE MADE. Buyer agrees that Buyer is relying solely upon its inspection, examination, and evaluation of the Property without reliance on any information provided or that may be provided by Seller. Buyer has thoroughly inspected and examined the Property to the extent deemed necessary by the Buyer to enable it to evaluate the Property and its purchase or has had the opportunity to make such inspection and examination. Buyer hereby assumes all risk and liability (a) for any matters not discovered in its inspection and for any matters not inspected, or (b) resulting from the ownership, use, condition, location, maintenance, repair or operation of the Property. Buyer represents and warrants that (1) Buyer has such knowledge and experience in real estate investigation to evaluate the merits and risks of the transactions provided in this Contract, and (2) Buyer is financially able to bear the economic risk of the loss of such investment and the cost of the due diligence and investigations under this Contract. Buyer is purchasing the Property, including to the extent located thereon all improvements, appliances, fixtures, plumbing, heating, air conditioning, electrical distribution, water heating, other mechanical systems, and structural components, in their current condition and state of repair and on an "AS IS," "WHERE IS" and "WITH ALL FAULTS" basis. Buyer further accepts the Property without any reservations as to the condition of all improvements and subject to any governmental authority inspections or proceedings required by statute and/or ordinance as to compliance or habitability. Disclaimers similar to the foregoing in form satisfactory to Seller shall be inserted in the Deed and any other documents to be delivered by Seller to Buyer.

17. **LEAD BASED PAINT:** If the Property was built prior to 1978, the Property may contain lead-based paint or other sources of lead. Exposure to lead-based paint or other sources may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavior problems and impaired memory. Lead poisoning also poses a particular risk to pregnant women. Buyer agrees that it is purchasing the Property "as-is" without any representations or warranties whatsoever as to the condition of the Property. Buyer further agrees that Seller has no responsibility or liability for, and Buyer hereby unconditionally releases Seller from, any and all liabilities, both known and unknown, present or future, that is based upon or related to, the existence of lead or lead-based paint on or about the Property. Buyer acknowledges (a) that it has been informed by Seller of possible health hazards posed by exposure to lead from lead-based paint or other sources on or about the Property, and (b) receipt of the EPA approved lead-hazard information pamphlet entitled Protect Your Family From Lead in Your Home (included with this Contract). Seller has no knowledge of lead-based paint and/or lead-based paint hazards in the Property. Seller has no reports or records pertaining to lead-based paint and/or lead-based paint hazards in the Property. Buyer is entitled to a 10-day opportunity to conduct a risk assessment or inspection for the presence of lead-based paint and/or lead-based paint hazards. **BUYER WAIVES THE OPPORTUNITY TO CONDUCT A RISK ASSESSMENT OR INSPECTION FOR THE PRESENCE OF LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARDS.**

18. **ENVIRONMENTAL MATTERS:** Seller makes no warranty or representation to Buyer that Seller or any other owner, tenant, or occupant of the Property ever caused or permitted to exist, as a result of any intentional or unintentional action or omission, a releasing, spilling, leaking, pumping, pouring, emitting, emptying or dumping of any toxic or hazardous substances or waste on the Property.

19. **ASSIGNMENT:** Buyer may not assign all or any part of the Property or this Contract without the prior written consent of Seller in its discretion. If Seller consents to an assignment, among other requirements the proposed assignee must agree in writing in form and substance satisfactory to Seller to the terms and conditions of this Contract as if an original signatory hereto. No assignment shall release Buyer from its obligations hereunder except to the extent expressly provided in writing by Seller. This Contract may be assigned by Seller and will be binding on the heirs and assigns of the Parties. Any assignment in violation of this paragraph is void.

20. **INDEMNIFICATION:** As used herein, (i) "Buyer's Group" means Buyer and Buyer's tenants, invitees, licensees, successors, heirs and assigns, (ii) "Damages" means any loss, damage, injury, decline in value, lost opportunity, liability, claim, demand, settlement, judgment, award, fine, penalty, tax, fee (including reasonable attorney's fees), charge, cost (including costs of investigation), amount due or expense of any nature, and (iii) "Seller Group" means Seller and Seller's owners, employees, agents, representatives, successors and assigns. benefit of itself, its successors and assigns, agrees to indemnify, defend and hold harmless each member of the Seller Group from and against any and all Damages arising out of or relating to (a) any inaccuracy or violation of Buyer's representations, warranties or covenants in this Contract, (b) any actions or failure to act on, respond to or comply with any local, state or federal law, rule or ordinance affecting the Property or its condition including building code requirements, nuisance claims or abatement proceedings, condemnation proceedings, lien enforcement actions, or other matter or proceeding (Buyer acknowledges that the Property may be subject to proceedings in law or equity to abate, correct, or otherwise comply with local, state or federal requirements regarding the Property and that this indemnity also will apply in such instances); (c) actions or failure to act in any matter involving a tort claim arising from use or condition of the Property, or (d) the condition of the Property or the adequacy or inadequacy of any inspection thereof. THE INDEMNIFICATION PROVISIONS IN THIS PARAGRAPH SHALL BE ENFORCEABLE REGARDLESS OF WHETHER THE LIABILITY IS BASED ON PAST, PRESENT OR FUTURE ACTS, CLAIMS OR LEGAL REQUIREMENTS (INCLUDING ANY PAST, PRESENT OR FUTURE ENVIRONMENTAL LAW, OCCUPATIONAL, SAFETY OR HEALTH LAW, PRODUCTS LIABILITY OR OTHER LEGAL REQUIREMENT), AND REGARDLESS OF WHETHER ANY PERSON (INCLUDING THE PERSON FROM WHOM INDEMNIFICATION IS SOUGHT) ALLEGES OR PROVES THE SOLE, CONCURRENT, CONTRIBUTORY OR COMPARATIVE NEGLIGENCE OF THE PERSON SEEKING INDEMNIFICATION, OR THE SOLE OR CONCURRENT STRICT LIABILITY IMPOSED ON THE PERSON SEEKING INDEMNIFICATION.

21. **CASUALTY LOSSES:** If any part of the Property is damaged or destroyed by fire or other casualty loss after funding the deposit but before Closing, Seller shall bear the loss. If the Property is damaged prior to Closing, Seller may, at Seller's sole discretion, either (1) restore the Property to its previous condition as soon as reasonably possible or (2) terminate this Contract and return the earnest money to the Buyer.

22. **BUYER:** Buyer hereby represents to Seller that Buyer is a knowledgeable and sophisticated investor having such knowledge of financial and business matters to be capable of evaluating the merits and risks of investment. BUYER IS ADVISED TO SEEK THE ADVICE OF LEGAL COUNSEL OR TO ELECT A FULL CLOSING UNDER 3(B) IF BUYER IS NOT IN THE PRACTICE OF BUYING INVESTMENT PROPERTY OR DOES NOT UNDERSTAND THE IMPLICATIONS OF SECTIONS 3, 4, 5, 7, 8, 10, 12, OR 16.

23. **MISCELLANEOUS.** The provisions of this Contract survive the closing, the delivery of the Deed and any termination of this Contract. Time is of the essence for purposes of this Contract; it will be a material breach of this Contract to fail to perform any obligation within the time required or permitted by this Contract. This Contract is not intended to and will not be deemed to provide third parties with any remedy, claim, right of action, or other right. The term "includes" and its variants shall be deemed to be followed by the phrase "without limitation." The headings used in this Contract are intended solely for convenience of reference, do not themselves form a part of this Contract, and may not be given effect in the interpretation or construction of this Contract. If any provision of this Contract, or the application of any provision to any person or set of circumstances, is determined to be invalid or unenforceable to any extent, the remainder of this Contract, and the application of such provision to persons or circumstances other than those as to which it is determined to be invalid or unenforceable, shall not be impaired or otherwise affected and shall continue to be valid and enforceable to the fullest extent permitted by law. If any provision of this Contract is determined to be invalid or unenforceable for any reason, then this Contract shall remain in full force and effect and the invalid or unenforceable provision shall be replaced by a provision determined by a mutually agreed independent real estate attorney to be within the original spirit and intent of this Contract. If the parties are unable to agree on such attorney, either party may petition a court to identify such attorney. The parties are sophisticated and were represented by counsel during the negotiation of this Contract. As a result, the parties believe the presumption of any laws or rules relating to the interpretation of contracts against the drafter thereof should not apply, and hereby waive any such presumption and agree that this Contract shall be construed fairly and not against any party. This Contract may be executed in any number of counterparts with the same effect as if all of the parties had signed the same document. All counterparts shall be construed together and shall constitute one agreement.

24. **NOTICES:** All notices from one party to the other must be in writing and are effective when mailed to, hand-delivered at, or transmitted by facsimile machine, or email as follows:

25. **DISPUTE RESOLUTION:** This paragraph, including the subparagraphs below, is referred to as the "Dispute Resolution Provision." This Dispute Resolution Provision is a material inducement for the parties entering into this Contract.

(a) This Dispute Resolution Provision provides the exclusive means for resolving all controversies and claims between the parties (collectively a "Claim"), whether arising in contract, tort or by statute, including controversies or claims that arise out of or relate to (1) this Contract, as may be renewed, extended or modified, (2) any document related to this Contract, (3) any alleged breach of this Contract or of any document related to this Contract, (4) the arbitrability of any Claim, or (3) any Claim that this Contract or any part hereof is invalid, illegal or otherwise voidable or void. For the purposes of this Dispute Resolution Provision only, the term "parties" shall include Buyer, Seller and their respective agents, officers, owners and Affiliates and each individual or entity involved in the servicing, management or administration of any obligation described or evidenced by this Contract. "Affiliate" means a person or entity that controls, is controlled by, or is under common control with another person or entity.

(b) At the request of Seller or any of its agents, officers, owners or Affiliates but subject to the provisions of subparagraph (g) below, a Claim shall be resolved exclusively by binding arbitration in Austin, Texas pursuant to the Federal Arbitration Act, 9 U.S.C. Sections 1-16 (the "Act").

(c) Arbitration proceedings will be conducted in accordance with the Act, Part B ("Expedited Procedures") of the Commercial Arbitration Rules then in effect ("Expedited Rules") of the American Arbitration Association or any successor thereof ("AAA"), and the terms of this Dispute Resolution Provision. In the event of any inconsistency, the terms of this Dispute Resolution Provision shall control. If AAA is unwilling or unable to (1) serve as the provider of arbitration or (2) enforce any provision of this arbitration clause, the Seller or its agent, officer, owner or Affiliate requesting arbitration may designate another arbitration organization with similar procedures to serve as the provider of arbitration. Notwithstanding any other provision in this Contract, the Expedited Rules shall be modified as follows: (1) no settlement or mediation conference or conferences may be ordered unless all parties request same; (2) regardless of the actual amount of the Claims, the Expedited Procedures applicable to claims of \$75,000 or less shall be used; (3) no stenographic or other record of the hearing shall be created or permitted; (4) AAA will deliver to the parties a list of prospective arbitrators numbering one more than the number of parties to the dispute; within seven calendar days after delivery to the parties, each party may strike one name by informing AAA in writing and the person designated by AAA from the remaining person(s) on the list shall be the arbitrator; (5) as soon as practicable after selection of the arbitrator, the arbitrator shall provide its estimate of the fees and expenses for the arbitrator and the arbitration to each party for deposit of its pro rata share with the arbitrator within five days of receipt of such estimate; failure of any party to make such deposit shall result in its forfeiture of the right to prosecute or defend the Claim which is the subject of the arbitration, but shall not otherwise serve to abate, stay or suspend the arbitration proceedings; (6) in addition to the other forms of service provided for under the Expedited Rules, any party or counsel for a party which has a facsimile machine which is used as a part of his or its normal business shall be deemed to have consented to service by facsimile transmission; (7) the arbitration award shall include special findings only as to the basis for and calculation of damages and shall not contain any

other factual findings; and (6) the arbitration award may be submitted to any court having jurisdiction to be confirmed and have judgment entered and enforced.

(d) The arbitrator will give effect to statutes of limitation in determining any Claim and may dismiss the arbitration on the basis that the Claim is barred. For purposes of any statutes of limitation, the service on AAA under applicable AAA rules of a notice of Claim is the equivalent of the filing of a lawsuit. Any dispute concerning this arbitration provision or whether a Claim is arbitrable shall be determined by the arbitrator, except as set forth in subparagraph (h) of this Dispute Resolution Provision.

(e) The arbitrator shall be bound by the limitations of liability and other provisions of this Contract, including the governing law provision, and the arbitrator shall have no power to amend this Contract. The arbitrator shall have no right to grant or award indirect, consequential, punitive or exemplary damages of any kind. Each party irrevocably and unconditionally waives the right, if any, to obtain an award for indirect, consequential, punitive or exemplary damages of any kind from another party in any arbitration or judicial proceeding with respect to or in connection with any Claim.

(f) To the extent any Claims are not arbitrated and except as otherwise permitted in subparagraph (g), the Claims shall be resolved exclusively in the U.S. District Court for the Western District of Texas, Austin Division, or any court of the State of Texas having subject matter jurisdiction and each of the parties agrees and consents to such venue and to personal jurisdiction in such courts. Furthermore, without intending in any way to limit this Dispute Resolution Provision; to the extent any Claim is not arbitrated, the parties irrevocably and voluntarily waive any right they may have to a trial by jury. This waiver of jury trial shall remain in effect even if the Class Action Waiver is limited, voided or found unenforceable. **WHETHER THE CLAIM IS DECIDED BY ARBITRATION OR BY TRIAL BY A JUDGE, THE PARTIES AGREE AND UNDERSTAND THAT THE EFFECT OF THIS CONTRACT IS THAT THEY ARE GIVING UP THE RIGHT TO TRIAL BY JURY TO THE EXTENT PERMITTED BY LAW.**

(g) This Dispute Resolution Provision does not limit the right of any party to (1) exercise self-help remedies other than retort of money, (2) any forcible entry and detainer action or any other action to recover, foreclose or sell the Property or any personal property collateral in the jurisdiction where the Property or such collateral is located, or (3) act in a court of law to obtain an interim remedy, such as but not limited to, injunctive relief, writ of possession or appointment of a receiver, or additional or supplementary remedies. Exercise of any rights in this subparagraph (g) shall not constitute a waiver by the seller or any its agents, officers, owners or Affiliates exercising such rights to thereafter require submission of the Claim to arbitration.

(h) Any arbitration or trial by a judge of any Claim will take place on an individual basis without resort to any form of class or representative action (the "Class Action Waiver"). Regardless of anything else in this Dispute Resolution Provision, the validity and effect of the Class Action Waiver may be determined only by a court described in subparagraph (f) of the Dispute Resolution Provision. The parties acknowledge and agree that the Class Action Waiver is material and essential to the arbitration of any disputes between the parties and is nonseverable from the agreement to arbitrate Claims. If the Class Action Waiver is limited, voided or determined to be unenforceable, then the parties' agreement to arbitrate shall be null and void with respect to such proceeding, subject to the right to appeal the limitation or invalidation of the Class Action Waiver. The parties acknowledge and agree that under no circumstances will a class action be arbitrated.

(i) In addition to all other retort, the prevailing party in any dispute described in this Dispute Resolution Provision shall also be awarded its reasonable attorney's fees, fees for witnesses and service of process, experts' fees and other reasonable costs and expenses incurred in (i) pre-filing and post-filing negotiations of the dispute, (ii) the arbitration and judicial proceedings to obtain, enter or confirm any award, (iii) preparing for and participating in any judicial proceeding, and (iv) efforts to collect any award or judgment rendered. Post-award and post-judgment expenses recoverable under this subparagraph shall not be merged into any award or judgment. The non-prevailing party or parties shall pay the reasonable expenses (including without limitation attorneys' fees) of the prevailing party or parties and the arbitrator fees and administrative expenses associated with the arbitration.

26. **GOVERNING LAW:** This Contract shall be governed by, and shall be interpreted, construed and enforced in accordance with, the laws of the State where the Property is located without regard to its rules regarding conflicts of law.

27. **Buyer's WAIVER OF CONSUMER RIGHTS UNDER THE TEXAS DECEPTIVE TRADE PRACTICES CONSUMER PROTECTION ACT AND OTHER CONSUMER PROTECTION LAWS:** As partial consideration to Seller to enter into this Contract, to the extent that the Texas Deceptive Trade Practices Consumer Protection Act is applicable to this transaction, Buyer can and do expressly waive all rights under the Texas Deceptive Trade Practices Consumer Protection Act, Sections 17.41 through 17.63, Texas Business and Commerce Code, a law that gives consumers special rights and protections. After consultation with an attorney of Buyer's own selection, Buyer voluntarily consents to this waiver. In addition, Buyer waives their rights under all other consumer protection laws in other states applicable to this transaction that may be waived by the parties.

In witness whereof, the Parties have caused this Contract to be executed as of the date first written above.
