Great.

Shari, please add Trahern's statement to the public record as it was indeed submitted prior to the closure of the public hearing.

Thank you for your response. Yes, this statement is for that. I am going to send a new email thread concerning an ordinance I think the Commission and council members should revisit.

Thank you

Hi Trahern,

Thank you for your email.

I believe this is in response to the Administrative Citations. I want to make sure this gets added to the public record. I have cc'd Shari and my EA Sumeya who can ensure your comment is added as it was sent in time for the public hearing.

I also hear you on the issue of rent control. I will make sure our office keeps you in the loop on other ways we are addressing the growing rent costs and the ordinance later.

Peace.

Best,
Cheniqua

Hello Council Members,

Here is a statement concerning today's hearing I would like to submit as a resident as time would not permit for me to speak at the hearing.

To whom it may concern:

My name is Trahern Crews. I am a St. Paul Native. I was the first candidate in the state of MN to run on the Rent Control issue. Simultaneously I also added to my platform and advocacy raising the minimum wage to a cost of living wage of \$15 an hour including a subset of issues ,sick and safe time and stopping wage theft. I am a renter in the city of Saint Paul and last December I received a letter from my landlord stating he is raising my rent due to RENT CONTROL. Going forward when we get to the implementation of the policy formation process, that it doesn't hurt the people that it is intended to help.

Thank you

Trahern Crews

Thank you

To whom it may concern,

I was a part of the Unionizing process for my workplace and am now a proud member of UFCW 1189. I was motivated to unionize to give workers an equal voice with their employers. Employers are more motivated to change their behavior with criminal citations and not by low-level consequences for their actions. We need changes in city law to ensure employers do not repeat offenses to the law and their potential union contract. This protects workers and ensures companies are held accountable for potential misdeeds

Sincerely,
Isaac

Good evening. I'm calling for council Member Bowie. This is Bill McGovern. I live at 841 Laurel Ave. I'm a constituent and I've heard through Isaiah and some other sources about this administrative citation amendment that would change the city charter. And I understand that Saint Paul is really very unusual for not having this tool. So I'd like to voice my support for you voting to change the charter to allow for administrative citations. Of course they should be done well and you, the city would have to do a good job of them, but having the tools seems really valuable to me, so I appreciate your support in that. You can reach me back if you want to at 612-805-5271. My address is 841 Laurel Ave. 55104. Thanks.

I don't know if a vote is taken tomorrow or the following week, but whenever the vote is taken, I would ask you to vote yes on that amendment to the charter. Thank you very much. Good evening.

I can't remember. This is Sam Wagner. I'm a renter in your district. I live at 683 Hague, just off Selby, over near Dale. And I'm calling to ask you to show your support for passing administrative citations tomorrow. I've rented in this district for going on five years. I've had my landlord raise my rent up, and I saw how so many other renters suffered from price gouging during the pandemic. And I really strongly believe that administrative citations is going to be our pathway to holding those types of folks accountable and making sure that we actually have some teeth behind all the great stuff that our City Council have passed recently. Thank you.

Hello, this is Jim Halverson. My number is 651-231-9072. I'm a voter that lives in Ward 1, and I wanted to encourage you to vote for the administrative citations bill or whatever you call it there. I think it's a good thing that the city needs, and apparently most of the cities in Saint Paul, not Saint Paul, but Minnesota, have that. So thank you. Bye.
