---

Hello,

I am following up on this previous inquiry to understand how to receive future notices at the below address.

I would also like to confirm there is no longer an assessment against this property given my payment on 4/13.

Thank you,

Molly

To Whom It May Concern,

I recently received as forwarded mail the Public Hearing Notice for the Ratification of Assessment, property 02-28-23-32-0143. The address is 1060 Grand Ave, Unit 202.

This property is part of my mother's estate, and I am the personal representative. I live out of state and have recently moved all mail to forward to my address in Maine.

I have paid this assessment online, confirmation number **STPRAS000156615**.

I would like to know how I can ensure the address for these mailings is changed to ensure I receive all future bills and notices. Is it possible to change the address for this property to:

Molly Hoisser  
38 Fengler Rd.  
Scarborough, ME 04074

Please advise, and thank you for your time.
