“This is Nancy Peterson at 1309 Scheffer Avenue. I just have a question. I know our street is going to be done sometime this summer. I don’t know when. When do we have to make a decision and have plumbers come out and change our lines--water lines and sewer lines--if we decide to do that from the street to our house? When do we have to have that in place and done? My number is 651-698-8029. Thanks.”
